

Curriculum vitae for Per Kragh Andersen

Personal data and Education (all degrees from Univ. Copenhagen)

Born 1952

MSc in statistics 1978

PhD in mathematical statistics 1982; thesis: *Statistical models for covariates' influence on the intensity of a point process* (in Danish)

DrMedSci 1997; thesis: *Multi-state models for event history analysis in clinical medicine and epidemiology*

Employment

1978-85: research assistant, Statistical Research Unit, Danish Medical and Social Science Research Councils/Univ. Copenhagen

1985-98: associate professor, Statistical Research Unit/Inst. Public Health, Univ. Copenhagen

1994-99: half time as above and half time as chief statistician at the Danish Epidemiology Science Centre (1999-2004 20 % at DESC)

1998-: professor, Dept. Biostatistics, Inst. Public Health, Univ. Copenhagen

Publications

109 papers in refereed statistical journals, 230 in refereed medical journals, 6 books/theses, 106 other publications. H-index: 82.

International contacts

Longer research visits at:

Dept. Statistics and Actuarial Science, Univ. Waterloo, Canada (1986),

Medical College of Wisconsin, Milwaukee, USA (1995),

Dept. Mathematics, Murdoch University, Perth, Australia (1997),

Projecto de Saude de Bandim, Guinea-Bissau (1998).

Center for Advanced Studies, Oslo, Norway (2005 and 2006)

Participation in and lecturing at several international conferences since 1978.

Member of Biometric Society, Bernoulli Society, International Society for Clinical Biostatistics, Danish Society for Theoretical Statistics, Danish Epidemiological Society

Elected as Member of International Statistical Institute 1990

Received 'The Stata Journal Editor's price' in 2013

Associate editor of:

Scand. J. Statist. (1990-97), *Statist. Meth. Med. Res.* (1990-), *Eur. J. Med.* (1992-96), *Statist. Med.* (1995-2005), *Biometrics* (2000-), *J. Nat. Cancer Inst.* (2001-2005), *Lifetime Data Analysis* (2005-)

Administration etc.

1985-89 member of the board of "Danish Society for Theoretical Statistics" (President: 1986-88).

1992-93 member of the board of Institute for Biostatistics and Theory of Medicine.

Member of the steering group for Danish Epidemiology Science Centre 1994-99.

Member of the board of *Scand. J. Statist.* 1996-97.

Member of the Council of International Biometric Society, 2000-2003 and of the Finance Committee 2001-07.

Member of organizing and programme committees at several international conferences 1981-.

Member of the board for the project "Diet, Cancer and Health", Danish Cancer Association, 1997-2009.

Chairman of the IT-committee at Institute of Public Health, 1999-2002.

Member of the Research Committee for the Danish Heart Association, 2001-2006.

Member of the board of "Institute of Preventive Medicine" 2005-2010.

Member of the research committee, Faculty of Health Sciences, University of Copenhagen, 2007-2011.

Chairman of Department of Biostatistics, Institute of Public Health, 2011-2013.

Supervision and teaching

Supervised 7 masters theses in statistics and 3 in public health

Supervised 11 master of public health theses

Supervised 25 ph.d theses (9 medical/public health and 16 statistical, 3 are ongoing)

Taught several courses in statistics and epidemiology both for statisticians and medical/public health students/researchers (during a > 30 year period).
